PREFACE

ILMER - Some notes taken from County histories and directories

Lipscomb = History & Antiquities of Bucks, G. Lipscomb 1847, Vol. 1

Sheahan = History and Topography of Bucks, J.J. Sheahan 1862

VCH = Victoria County History of Bucks, Vol. 4 1927

BD = Bucks Directories

Acreage 500 acres (Lipscomb) 674 acres (Sheahan) 753 acres (VCH) The whole parish was enclosed in 1657 (Lipscomb).

The bordering parishes are Aston Sandford, Monks Risborough, Princes Risborough, Bledlow and Saunderton (Lipscomb); also Kingsey and Towersey.

Lords of the Manor (from the time of Henry VIII)

The DORMER family from 1543 to 1709, when it passed with a daughter of the last Earl of Caernavon to the Earls of Chesterfield, from whom it passed in the 19th century to Moreton FREWIN, Esq. (Sheahan 1862). Moreton FREWIN and Mrs. RAPER held the manor jointly in 1869 and until some time after 1880, and he and General RAPER in 1887 (VCH). It then passed to Miss MORETON (BD 1903, 1907) who died in 1912 (VCH). The property was then sold, the Manor Farm and Lower Farm to Mr. W. HILL and Mr. A. A. KINGHAM, while Mr. A. FISHER bought Coldharbour. There is no further mention in later directories of Lords (or Ladies) of the Manor. None of them appear to have resided in Ilmer.

Patronage of the Benefice of Ilmer

With the Lords of the Manor until sold by the 6th Earl of Chesterfield in 1858 to the then Vicar of Ilmer, the Rev. W. E. PARTRIDGE. The Patronage passed to his daughter, Mrs. Leonard JACQUES (VCH) and then to the Bishop of Oxford 1933 (Records kept at Oxford).

School

"Mr. and Mrs. PARTRIDGE have recently established an excellent school in Longwick" (Sheahan 1862).

Parish Room

BD 1915 refers to late Miss MORETON and that a Parish Room was erected in 1908 at her expense.

Charity

Mrs. Sarah Maria Clotilda RAPER's will proved London 25 Aug 1881 bequeathed one nineteenth of her residuary personal estate for the benefit of the poor. Legacy is represented by £617-17-3 Consols with the official trustees. The annual dividend amounting to £15-8-8 is applied mainly in the distribution of coal and other articles in kind. (VCH)

There are photographs of the exterior and interior of Ilmer Church in VCH.

Notes on the following Transcripts of the Parish Registers

Bishop's Transcripts

The details of Baptisms, Marriages and Burials in the Registers have been supplemented by reference to the Bishop's Transcripts. These were copies of the Register entries sent yearly to the Archdeacon and/or the Bishop. In the case of Ilmer, there were few entries, and the copies were sent on pieces of parchment 2 or 3 inches square. Those that have survived are all now at Bucks County Record Office.

Material omitted

The names of Vicars and Churchwardens where they occur. The names of Justices of the Peace who inspected and signed the Registers in the first half of the 18th century. Standard wording "was baptized" "were married" etc. In the first half of the 18th century an affidavit had to be sworn by the relatives of a person buried that the body had been wrapped in a woollen shroud. The references to these affidavits and the persons before whom they were sworn have been omitted.

The entries

Dating has been standardized. Note that until 1752 the year began on March 25th. Surnames (in capital letters) followed by forenames. In Baptisms the father's forename comes next, and then that of the mother. Occupations, parishes, and any other interesting matter follows. An unusual entry is given in full to save confusion. Spelling of personal and place names as in the original. In the latter half of the 18th century, the entries were made by the Parish Clerk, and the spelling varies. From 1754 the Marriage entries had to be signed by the parties, witnesses and officiating minister, and all these names are in the transcript.

Abbreviations

d = daughter	BTs = Bishop's Transcripts
s = son	B = Marriage by Banns
junr = junior	L = Marriage by Licence
senr = senior	otp = of this parish
wdr = widower	lab = labourer
wid = widow	husb = husbandman
spr = spinster	X = person made a mark instead of a signature
bach = bachelor	PR = Princes Risborough

MARRIAGES

AN INDEX TO THE MARRIAGES IN THE PARISH OF ILMER BETWEEN THE YEARS 1600 to 30 Jun 1837

An alphabetical list of surnames, and a reference to the year or years in which the surname occurs, of those married at Ilmer between the above dates. In the years shewn, the century is only indicated for the first entry - thus 1601 44 56 97 1710 14 = 1601 1644 1656 1697 1710 1714

Where there is more than one entry of the same surname in any one year, the year is followed by one or more asterisks - thus; 1644* would mean that there are two entries of that surname in 1644.
